FAO Sir David Carter Executive Principal Published 24/07/2013 Authored Dean Blake Communications Manager

Introduction

Here I have set out a comprehensive audit of the Cabot Learning Federation's Public Relations in regard to the media August 2012- July 2013. This has been the most successful year to date with a total of 249 positive mentions of the CLF or CLF academies in the media.

With forty teaching weeks in a school year the federation averaged around six positive mentions in the media for every teaching week and with 51 press releases issued that's just over one produced per week.
