Snowdon Road, Fishponds, Bristol BS16 2HD

Bristol Met Unbeaten Basketball Champions

Bristol Metropolitan Academy's basketball teams go from strength to strength. They recently took part in the South of England Basketball Finals. The Year 8 and Year 10 teams both took the title with wins over the top teams from across the country.

Bristol Metropolitan Academy teams remain undefeated in competitive competitions, across every age group and gender, since September 2016. This is more than 50 wins in this academic year alone and no defeats.

The success of the teams is due to Bristol Mets innovative new programme which has the intention of producing professional basketball players of the future. This programme also improves students' behaviour, attendance, punctuality and will help them develop life skills such as higher aspirations and improved self-esteem.

Tom Hooper Head of PE said, "The boys on court performances, positive attitude and determination to succeed made them a credit to the academy, the basketball programme and their families. I am extremely proud of all the boys and girls who represented us so well."

There will be a photo op, Thursday 23rd March 9.30AM.
